Shadows & Patterns / Animals

A creative photography prompt from Keynsham Snap & Stroll

Mindful Photography

Join us in trying some mindful photography and exploring the theme of Shadows & Patterns and/or animals.

This creative prompt comes from Adrian, a key member and volunteer of Keynsham Snap & Stroll, one of our peer-led groups. We hope that you enjoy trying this creative prompt for yourself.

What you'll need:

- A camera - your phone, ipad or normal camera is fine
- A noticing eye!

Mindful photography involves taking your time, looking and noticing what's around you.

Step 1

- Choose which theme you'll explore - Shadows & Patterns or Animals [or both!]

Step 2

- Photograph what you see around your home, or when out on your daily walk that's inspired by this theme.

Other Ideas

Other themes you could try are:

- Sunlight and distancing
- Yellow from a fresh perspective
- Close-up
