

FRESH ART @ HILLVIEW WANTS YOU!

If you are affected by, working with or supporting those who have experience of mental health issues please join us to create **FRESH ART** to replace the faded pictures in the Sycamore Ward of the Hillview Lodge acute psychiatric unit in Bath's Royal United Hospital.

This is a free opportunity to learn new skills and have fun

No experience necessary

The exhibits at museums across Bath will help inspire you.

Participants are invited to display their work in a final exhibition to be held at a central Bath location.

15 places are available on each 7 week course. All sessions will be supported by a member of the community options team.
